Pumps Seals Motors & VFD's
Process Equipment Service & Installation

Process Equipment

LAKOS Centrifugal Separators and Filtration Solutions help remove suspended particles from water, Helping maintain efficiency, reduce maintenance, & Extend life of equipment.

FlexRake Full Penetration Screens, Trash Racks, Storm Screens, Washer/Compactors, Flexible Conveyors

Rotary Fan Press, Low Maintenance, User Friendly, Skid Mounted, Trailer Mounted

Conpura Screens and Conveyors, Grit Classifiers, Spiral Screw Screens, Septage Receiving Stations, Packaged Headworks Plants, Grit Separators, and more.

Innovative Process, Wastewater Treatment, & Recycling Solutions. Specializing in DAF Units, Rotating Screens, Belt Presses, Oil/Water Separation, and Chem Feed Systems

Packaged Stations

Prefabricated Lift Stations: Submersible, Dry-pit, Self-priming, Vacuum Prime, Custom Control Panels

Specializing in wastewater treatment ISAM, SAM, and SBR systems. Also, hydro grit, aeration, decanter and cloth filtration technologies.

Drive & Controls

WorldWide Electric is the largest independent supplier of electric motors, motor controls, and Speed Reducers. Large inventory of most common motors, gear reducers and motor controls

WEG is one of the largest electric motor manufacturers worldwide, Offering a wide range of motors and controls

VFDs (Variable Frequency Drives), Soft Starters, Micro Drives. Six year warranty available.

Eddy Current Adjustable Speed Drives. Achieve true system efficiency for your adjustable speed application. Heavy duty and long lasting.

The DERAGGER keeps pumps running rag-free at all times, eliminating the need to manually pull & clean units. decreases maintenance & improves life of pump.

Fire Pump Packages

We Specialize in Fire Pump Sales, Repair, & Maintenance, Complete understanding of NFPA 20, Startup Service & Flow Testing

Mid-America Pump offers full service & repair of all makes & models of pumps & related equipment.

- Factory Authorized Repair
- OEM Parts (many in stock)
- Machining & Fabrication
- Turn Key Installations (piping, wiring)
- Startup Services, Laser alignment, Vibration Testing
- In-house & On-site Training
- Preventative Maintenance Programs
- Pump & System Trouble Shooting
- Field Service - On Site Repair & Installation
- Dynamic Balancing
- Mechanical Seals
